

Help! Disaster! Help!

A Disaster has just occurred ... what should I do?

Check

Are you and your family safe? If not, get to safety!

Are there injured around you? If so, how many and how badly?

Call

If there are serious injuries call 911.

Call your District Superintendent.

Call one of the following three persons (they will contact each other!)

the Director of Mission and Ministry,

the Conference Disaster Response Committee Chairperson,

or the Bishop's Office.

Care

For your family, if they have been affected.

For your church members who have been affected.

For members of your community.

Offer support for others that is within your ability.

Collaborate

Ask for assistance from other UM pastors in your area.

Provide information to the Conference's Disaster Response contact.

Provide updates to the Director of Mission and Ministry.
